FABRIC AND WALLCOVERING
SPRING 2018

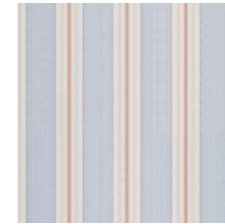

Signature HALF MOON BAY

Exuding a casual yet modern sensibility, an eclectic mix of stripes, paisleys, and embroideries and light-as-air sheer fabrics are enlivened with a faded palette of washed blues, sunbaked reds, antique whites, and creamy neutrals to capture the bohemian spirit and ease of the Northern California coast.

Signature PENTHOUSE SUITE

Drawing on the international glamour of 1930s Manhattan, a warm palette of chocolate brown, cream, heather charcoal, and bronze is embellished with exotic touches—such as a zebra-print flock or beaded geometric patterns—celebrating an era of sleek sophistication and opulent luxury.
