Picture Book II

Discover the latest collection of fabrics by innovative New York designer – John Derian. Picture Book II celebrates John's unique style and creates evocative, timeless fabrics from his archive of extraordinary images. Elegant flowers, butterflies, exotic birds and fauna mix with botanical studies in a collection that is both contemporary and utterly classic in soft, easy and relaxed shades. Printed on a variety of linens and cottons and including for the first time, stunning handwoven kilim stripes of jute and cotton that add dynamic texture.
